Clinic](#)

**The Live Oak Health Partners Community Clinic is located within the same building as the Hays County Local Health Department.** The Clinic is open to everyone, and its qualified medical staff provides family-centered care for Hays County residents. Staff at the Clinic are sensitive to the needs of the under-insured and non-insured persons in our community who need health care.

The Clinic accepts Medicaid (BCBS and Chip Perinate), Medicare, and also offers a sliding scale for medical services based upon income. It is the medical home for the Central Texas Health Care Collaborative's Indigent Health Program.
