Title VI Complaint Procedures

Title VI of the Civil Rights Act of 1964 requires that no person in the United States, on the grounds of race, color or national origin be excluded from, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. Presidential Executive Order 12898 addresses environmental justice in minority and low-income populations. Presidential Executive Order 13166 addresses services to those individuals with limited English proficiency.

Any person who believes that they have been excluded from, denied the benefits of, or been subjected to discrimination in any service, program or contract operated by the County may file a written complaint with Hays County. Federal and State law requires complaints be filed within one-hundred eighty (180) calendar days of the last alleged incident.
