Hays County Fire Marshal

### Fireworks Public Display Submittal Requirements

Any Fireworks Displays in Non-Incorporated areas of Hays County which are not covered by prior local Emergency Service District requirements are to be permitted and inspected through the Hays County Fire Marshal's Office.

Public Fireworks Displays in Hays County shall meet all requirements of all applicable State, local agreements, and AHJ requirements. The following is a check list of information that should be submitted and used as an aid and is not intended to cover every code requirement.

- Permit Application (Only One Application Per Event Required)**
- Copy of the License current issued by The State of Texas Fire Marshal's Office (1 Copy)**
  - Texas Department of Insurance Fireworks Special Effects Operators License for each operator for the permitted event location
- Submittal Packet (1 Copy)**
  - Certificate of Liability Insurance
  - Site Location Map (Including: Launch site, audience location, designated safety zones)
  - Letter of Intent (Including: Description of event, Size of fireworks to be utilized, Launch method, approximate audience size, description of the event location.)
- Required Inspections**
  - Inspection(s) may be performed prior the event.

Permitting is only required once per event and shall be for that event only, Alternative dates if already scheduled may be including with original permit. If permitted event date is cancelled for any reason, contact the office and a new permit with the new date will be issued without further submission requirement. If new operator not already permitted is required only email or phone contact will be required to add them to the event permit. Any other questions can be directed to the office via phone or email. All required documentation may be sent via email. Submission must be completed no less than 10 days prior to the event. Unless it is part of a mass gathering event, than it must be submitted one month prior to Mass Gathering Hearing.
