Fireworks Indoor / Retail Sales Location Submittal Requirements

Any and all Fireworks Sales locations in Hays County are to be permitted and inspected through the Hays County Fire Marshal's Office.

Fireworks sales locations be they Indoor or Retail (Stand) locations in Hays County shall meet all requirements of all applicable State, local agreements, and AHJ requirements. The following is a check list of information that should be submitted and used as an aid and is not intended to cover every code requirement.

- Permit Application (Only One Application Required)**
- Copy of the License current issued by The State of Texas Fire Marshal's Office**
(1 Copy per location)
 - Texas Department of Insurance Fireworks Retail Permit for each location
- Submittal Packet (1 Copy)**
 - Certificate of Liability Insurance
 - Site Location Map (Including: Launch site, audience location, designated safety zones)
 - Letter of Intent (Including: Description of event, location of site, whether site is owned or leased by permittee, owner of site contact information, number and size of fireworks to be utilized, launch method, approximate audience size, description of the event location.)
- Required Inspections**
 - Inspection(s) will be performed during the allowed sales periods.

Permitting is only required once per calendar year. Hays County Commissioners Court has voted and approved the additional sales periods of Texas Independence Day, San Jacinto Day, and Memorial Day. This along with the existing July 4th and New Year's Eve sales periods. Once permitted any restriction of sales will be immediately relayed to the permit holder upon court decision.

FIREWORKS RETAIL SALES PERMIT SHALL REMAIN AT THE SALES LOCATION DURING PERIOD OF ALLOWED SALES PERIODS AND PROVIDED TO THE INSPECTOR(S) WHEN REQUESTED.
