

# SAWYER RANCH ROAD

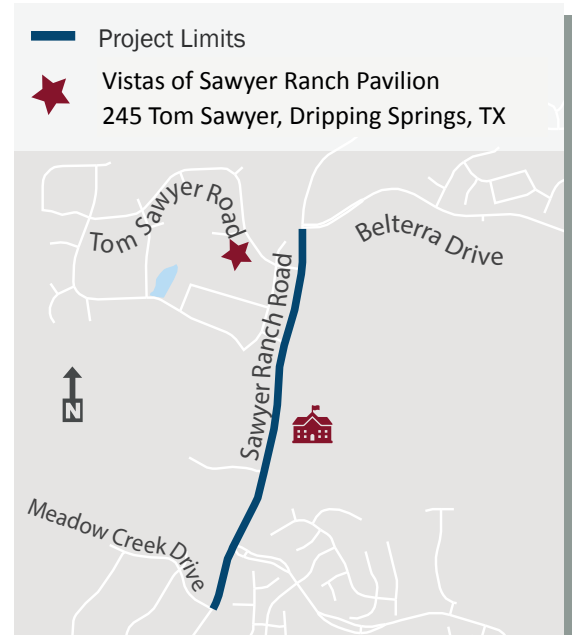

## Pedestrian and Bicycle Improvements

Hays County is constructing a path for pedestrians and cyclists on Sawyer Ranch Road from Meadow Creek Drive to Belterra Drive. The path is essentially a wide sidewalk to accommodate those walking and biking. The purpose of this project is to enhance safety and improve connectivity for the community, between neighborhoods, and to Sycamore Springs Elementary and Middle Schools.

**Pop-In Meeting – 4:30 - 7 p.m.**  
**Thursday, June 7, 2018**

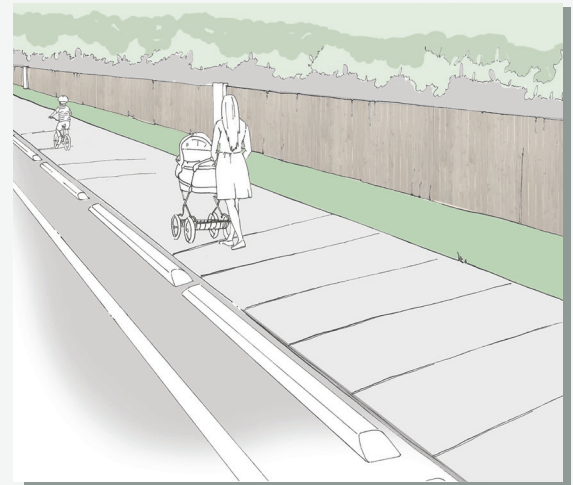

**Vistas of Sawyer Ranch Pavilion**  
**245 Tom Sawyer Road, Dripping Springs, TX 78620**

The County's team will be available to answer questions and share plans. There will not be a formal presentation, so please stop by anytime at your convenience.

## Details

- Construct a 4-foot shoulder, raised slotted curb, and a 10-foot shared-use path along the east side of Sawyer Ranch Road
- Add striped crosswalks at Tom Sawyer Road, White Wash Way, Rachels Canyon Drive, and Meadow Creek Drive intersections
- Path will be constructed within existing right-of-way with minimal impacts to traffic
- There are no changes to the speed limit and no additional stop signs or signals
- Funded from voter-approved 2016 Hays County Bond Program

Example of a shared-use path with similar features

## Schedule

- May 2018 – Design complete
- July 2018 – Collect construction bids
- August 2018 – Construction begins
- Late 2018 – Construction complete
